

3/4 MEASUREMENT PROJECT

TASK:

Your task is to organise the school fete. Yesterday you collected some data about what people might like to see or do at the fete.

Today your job is to go shopping and select the different food trucks, entertainment and entertainers you're going to book for the fete.

You need to choose at least 2 items from each of the categories below:

- Food and Drink
- Entertainment
- Entertainers
- Amenities

Below is a list of prices for each item. Your budget is \$10 000. You cannot go over your budget! You can use a calculator to help you or check your answer.

Good Luck!

..... School Fete

Budget: \$10 000

Category	Price
Food and Drink 1. 2. 3.	
Entertainment 1. 2. 3.	
Entertainers 1. 2. 3.	
Amenities 1. 2. 3.
